Vadodara  
SVIT VASAD (GTU)  
CGPA : 7.49

## EXPERIENCE

### Advait Business Solution PVT LTD

#### On the Sport | React

- The sports website features a login page and an Admin Panel for managing sports like cricket, football, and volleyball.
- While bookings are handled via the OntheSport app, the Admin Panel manages the onboarding process and displays booking details, including location, earnings, payments, and related features.

#### P2P Portal (Procure To Pay) | React, Redux-Saga

- The P2P (Procure to Pay) system streamlines procurement, from sourcing to payment processing, ensuring seamless workflows between purchasing and finance.
- Key modules include Master Data Management, Products, Vendors, Customers, and HR Data, enabling efficient procurement requests, vendor management, and payment processing while maintaining workflow integrity.

## **B2B Portal (Business To Business) | React, Redux-Saga**

- The B2B portal facilitates seamless business interactions between customers and administrators, offering secure workflows for inquiries, quotations, sales orders, and delivery orders.
- The system includes key modules such as Master Data Management, Products, Customers, and HR Data. These modules ensure efficient management of data and support the complete sales lifecycle from inquiry to delivery.

## **NK Proteins (B2B) | React, Redux-Saga**

- Developed a secure B2B portal with OTP-based login, integrating SAP customer data.
- Features include customer and admin dashboards, sales and delivery orders, contract management, financial details (ledger, credit info), and reporting. •Added a blog system for dynamic content management.
- Streamlined operations and enhanced customer satisfaction with real-time data access.
